*New for 2014 – dependent children may stay on your dental insurance through age 26, regardless of student status. If your dependent has already been removed from dental insurance due to the previous age limit, employees **must** fill out the enrollment form during Open Enrollment to re-enroll him or her. No dependents will be reinstated automatically.*

Employees enrolled in Dental Insurance should check with their provider to ensure that they accept the Dental Plan that you have selected.

Reminder: Employees have 60 days from a related qualifying event to make changes to their enrollment. The changes must be in writing.
